

Otto Schott Research Award

2016

In 2016 the Ernst Abbe Fund will be presenting the Otto Schott Research Award for the fourteenth time. The prize will be awarded for outstanding achievements in basic research or technology development in the field of advanced materials and processes, components or systems for optics, electronics, health, and lifestyle. The sum of

€25.000, -

has been allocated to the award.

Qualified scientists are eligible for this award; achievements of individuals and small groups can be considered. Direct applications will also be accepted from the candidates themselves.

Recommendations and personal applications should be sent before

July 31, 2015

enclosing a review of the scientific work on which the application is based, a curriculum vitae and a brief outline of the candidate's scientific career, to the following address:

**Ernst-Abbe-Fonds
c/o Stifterverband für die
Deutsche Wissenschaft
Barkhovenallee 1
45239 Essen (Heidhausen), Germany
Postfach 16 44 60
45224 Essen, Germany**
